DPM Zahid Urges Gig Workers To Pursue TVET Upskilling, Reskilling

- July 9, 2026

Kuala lumpur: Deputy Prime Minister Datuk Seri Dr Ahmad Zahid Hamidi has urged young people involved in the gig economy to pursue upskilling and reskilling programmes through Technical and Vocational Education and Training (TVET) to enhance their skills and expand their career prospects. He emphasized the necessity of this move to empower the country's estimated 1.2 million gig workers, including school leavers who lack specialised skills or qualifications.

According to BERNAMA News Agency, Ahmad Zahid announced that HRD Corp had allocated about RM3 billion to implement upskilling and reskilling programmes for workers. "HRD Corp has about RM3 billion to conduct these upskilling and reskilling courses. The fund, contributed by companies, is also used for those involved in the gig economy. We want to develop a skilled workforce and do not want them to end their careers solely as gig economy drivers," he stated. He made these remarks after attending the 'Apa Kata Siswa?' programme at Ibrahim Sultan Polytechnic (PIS), an event also attended by Higher Education Minister Datuk Seri Dr Zambry Abd Kadir.

Ahmad Zahid highlighted that the initiative aimed to produce a more highly skilled workforce and improve the career mobility of gig workers, so they would not have to rely on a single type of job throughout their working lives. He mentioned that the initiative had been implemented since January 2 and encouraged those interested to obtain information and apply for courses through the Upskill TVET portal at upskilltvet.com.my.

He also added that the government was prepared to offer suitable courses based on demand from gig workers while expanding access to skills training through higher education institutions nationwide.

Ahmad Zahid Proposes Leadership, Political Courses For Student Leaders

- July 9, 2026

Pasir gudang: Deputy Prime Minister Datuk Seri Dr Ahmad Zahid Hamidi has proposed that Student Representative Councils (MPP) at institutions of higher learning undergo special leadership and political courses to enhance their understanding of democracy and the country's political landscape. He said such exposure was important in nurturing a more mature generation of young leaders who understood current national issues and challenges.

According to BERNAMA News Agency, Ahmad Zahid stated that the government was prepared to fund the courses if requested by MPPs nationwide, subject to the approval of Higher Education Minister Datuk Seri Dr Zambry Abd Kadir. "We will fund it so they can attend leadership courses that expose them to the political arena and equip them to help shape the nation's future political landscape," he said at the Khabar Siswa Programme at Sultan Ibrahim Polytechnic in Pasir Gudang.

The deputy prime minister, who is also Barisan Nasional (BN) chairman, emphasized that young people did not necessarily have to be actively involved in politics but should remain informed about political developments. "18-year-old voters and first-time voters do not have to be involved in politics. If they want to be involved, they can. I myself became active in politics when I was a student leader at Universiti Malaya (UM). What is important is that young people understand politics even if they are not directly involved," he said.

Ahmad Zahid also highlighted the importance of youths making informed choices when voting and not wasting the opportunity to cast their ballots, as every vote played a crucial role in determining leadership and the direction of a political party. His remarks come as Johor prepares for polling on Saturday in the state election, with 56 state seats being contested.

Gov't Approves 24 New Tok Batin Posts to Enhance Orang Asli Leadership

- July 9, 2026

Endau: The government has approved 24 new Tok Batin posts for Orang Asli villages nationwide as part of efforts to strengthen grassroots leadership and ensure development initiatives for the community are delivered more effectively. Deputy Prime Minister Datuk Seri Dr Ahmad Zahid Hamidi, who is also Rural and Regional Development Minister, announced that the approval was reached during yesterday's Cabinet meeting.

According to BERNAMA News Agency, Tok Batin, who serves as the community leader and customary head of Orang Asli villages, plays a role as a bridge between the community and the government in coordinating village-level needs and development. "For the Orang Asli community in Endau, the Department of Orang Asli Development (JAKOA), in collaboration with the state government, has gazetted several villages including Tanjung Tuan, Tanah Abang, Peta and Labong, which have been approved as Orang Asli villages," Ahmad Zahid said in his speech at the Endau Community Engagement Programme today.

He mentioned that several other villages are still in the process of being gazetted, subject to approval from the state government. Meanwhile, Ahmad Zahid highlighted that the government is also implementing infrastructure developments to benefit the Orang Asli community, including the construction of four schools, halls, roads, as well as the provision of water, electricity, and telecommunications facilities.

"Various efforts have been implemented and will continue to be strengthened through different initiatives led by the Ministry of Rural and Regional Development and state governments for the Orang Asli community," he added.

CAMERON HIGHLANDS (July 11): The Ministry of Finance (MOF) plans to hold 10 Rahmah Cash Assistance (STR) payment programmes for Orang Asli communities in remote areas across Peninsular Malaysia to ensure recipients without bank accounts continue to receive government aid.

Treasury secretary general Tan Sri Johan Mahmood Merican said the programme in Cameron Highlands on Saturday was the sixth to be held this year under the initiative, which was introduced in 2024 to expand access to financial assistance and government services in remote communities.

PKD hab ekonomi masyarakat desa

PROGRAM Roda Selamat Poket Selamat yang diadakan di Pusat Komuniti Desa Layang-Layang, Johor.

KLUANG: Pusat Komuniti Desa (PKD) yang merupakan salah satu inisiatif Kementerian Kemajuan Desa dan Wilayah (KKDW) dalam meningkatkan taraf hidup dan kesejahteraan masyarakat luar bandar turut menjadi hab kegiatan ekonomi.

Melalui konsep perkhidmatan bersepadu di bawah moto 'Satu Hentian Pelbagai Perkhidmatan', PKD yang lahir daripada penstrukturan semula Pusat Transformasi Desa (RTC) dan Mini Rural Transformation Centre (MRTC) pada 11 Oktober 2018, PKD menggalakkan masyarakat menceburi bidang keusahawanan dan ruang mempromosikan produk mahupun perkhidmatan kepada pelanggan secara meluas.

Seorang peserta, Nor Hidayah Ismail, 62, berkata, beliau telah menikmati pelbagai manfaat hasil penyertaan program yang dianjurkan di PKD Layang-Layang sejak lebih 10 tahun lalu.

Menurutnya, antara aktiviti yang pernah disertainya adalah kelas menjahit, memasak, fertigasi, kelas agama serta kelas komputer yang banyak membantu meningkatkan kemahiran dan pengetahuannya.

Malah, beliau kini mampu menggunakan perisian Microsoft Word dan Excel, sekali gus membantu anak-anaknya dalam melaksanakan kerja-kerja urusan perniagaan.

"Saya juga dapat menambah pendapatan selepas mempelajari teknik fertigasi tanaman cili di PKD Layang-Layang. Ilmu yang diperoleh bukan sahaja boleh dipraktikkan sendiri, malah membantu saya menjana pendapatan sampingan.

"Pada saya, usia bukan penghalang untuk belajar bidang baharu. Ia satu kepuasan terutama apabila banyak manfaat dapat dicurahkan pula kepada orang lain termasuk anak-anak saya," jelasnya.

Dia juga menjadi sukarelawan di PKD itu untuk membantu dalam melaksanakan program-program komuniti selain dapat mengisi masa lapang dengan mempromosi perniagaannya.

"Saya juga dapat berjumpa dengan rakan-rakan yang lain, berkongsi ilmu serta mengeratkan hubungan dalam komuniti," jelasnya.

Beliau dalam masa yang sama berharap, inisiatif PKD diteruskan dan diperluaskan agar lebih ramai penduduk luar bandar berpeluang meningkatkan kemahiran, menimba ilmu serta memanfaatkan pelbagai program yang disediakan.

PKD juga memainkan peranan penting sebagai hab pembangunan masyarakat luar bandar dengan pelbagai perkhidmatan yang menyokong aspek kemahiran, keusahawanan, pendigitalan dan kesejahteraan komuniti setempat.

PKD turut dilihat sebagai platform masyarakat setempat menerima akses perkhidmatan kerajaan, peluang ekonomi dan program pembangunan komuniti secara lebih menyeluruh serta berkesan.

Setakat ini terdapat 191 buah PKD di seluruh negara termasuk di Sabah dan Sarawak.

> **"Antara fokus utama inisiatif PKD ialah menyediakan latihan kemahiran, teknologi maklumat dan komunikasi (ICT), pemerkasaan wanita serta pelbagai kemahiran lain bagi meningkatkan pengetahuan."**

Antara fokus utama inisiatif PKD ialah menyediakan latihan kemahiran, teknologi maklumat dan komunikasi (ICT), pemerkasaan wanita serta pelbagai kemahiran lain bagi meningkatkan pengetahuan tanpa mengira latar belakang bangsa mahupun agama.

Selain itu, PKD turut menjadi platform kepada pelbagai agensi kerajaan, swasta, institusi pengajian tinggi (IPT) serta pertubuhan bukan kerajaan (NGO) untuk menyampaikan perkhidmatan, produk dan maklumat kepada masyarakat luar bandar dengan lebih berkesan.

Kluang: Fokus pembangunan di bawah Kementerian Kemajuan Desa dan Wilayah (KKDW) beralih daripada sekadar pembinaan fizikal kepada usaha memberi impak sosioekonomi lebih mendalam dalam kalangan komuniti desa di seluruh negara.

Timbalan Perdana Menteri, Datuk Seri Dr Ahmad Zahid Hamidi, berkata fasa peralihan itu dilaksanakan selepas KKDW merekodkan pencapaian fizikal memberangsangkan, iaitu 97.65 peratus dalam pelaksanaan program infrastruktur luar bandar sepanjang tempoh Rancangan Malaysia Ke-12 (RMK12).

Beliau yang juga Menteri Kemajuan Desa dan Wilayah berkata, pencapaian itu turut dibentangkan pada mesyuarat Jemaah Menteri, kelmarin.

Pencapaian program

"Kertas (kajian) itu memperlihatkan pencapaian semua program infrastruktur KKDW di seluruh negara.

"Tempoh kajian adalah sepanjang RMK12. Apa yang kita perhatikan bukan hanya sejauh mana jalan luar bandar itu dibina, berapa banyak yang dinaik taraf dan berapa banyak yang diperbaiki. Itu semua adalah pencapaian fizikal," katanya.

Beliau berkata demikian pada sidang media selepas Program Sesi Libat Urus Bersama Jawatankuasa Pembangunan dan Keselamatan Kampung (JPKK) Johor di sini, semalam.

Ahmad Zahid berkata, aspek paling penting adalah infrastruktur luar bandar dan desa membuka peluang pendidikan, mewujudkan ramai usahawan dan mengurangkan mobiliti sosial susulan penghijrahan dari kawasan luar bandar ke bandar pada masa lampau.

Katanya, pencapaian baik itu juga akan diteruskan termasuk di Johor seperti bekerjasama dengan kerajaan negeri menerusi Kumpulan Prasarana Rakyat Johor (KPRJ).

Mengenai hala tuju masa hadapan, Ahmad Zahid berkata, kesinambungan RMK12 kini tertumpu kepada elemen pengisian bagi memastikan industri baharu dan usahawan dalam bidang baharu dapat diwujudkan di luar bandar.

Longhouse JKKK secures Madani Village Aspirations Award

SIBU: The Village Development and Security Committee (JKKK) of Rumah Panjang Uma Daro, Liling Padong, Sungai Asap in Belaga, has brought pride to Sarawak after securing third place in the Madani Village Aspirations Award (ADM) held in Jengka, Pahang, recently.

Its advisor, Pemanca Umek Jeno, said the JKKK of Rumah Panjang Uma Daro was shortlisted alongside 13 other village committees from across the country to compete in the award organised by the Ministry of Rural and Regional Development (KKDW).

He said the achievement earned the committee a cash prize of RM50,000 and a trophy presented by Deputy Prime Minister Datuk Seri Dr Ahmad Zahid Hamidi, who is also the Minister of Rural and Regional Development.

In addition, the committee also received the Special Viral Video Award, taking home a further RM20,000 in cash and a trophy presented by Deputy Minister of Rural and Regional Development Datuk Rubiah Wang.

"We are extremely proud of these achievements. Not only have we brought honour to Sarawak, but this award is also a great recognition for our community in the rural interior. Although we are located in a remote area, we have proven that we can achieve excellence for Sarawak.

"This success also clearly reflects that the development implemented by the Sarawak government has indeed reached rural communities. We will continue striving to do our best for Rumah Panjang Uma Daro," he said.

Umek added that Uma Daro was home to about 900 residents, comprising 115 household units across eight residential blocks. The longhouse settlement is inhabited by the Kayan ethnic community of the Orang Ulu and is located within the Bakun Resettlement Scheme (BRS) in Sungai Asap, Belaga.
